SIG Board Service Opportunities

- **Secretary / Treasurer – [OPEN]**
 - Recording and documenting information discussed and decided upon at the meetings
 - Publish meeting minutes
 - Managing the action item list and maintaining all other documents
 - Receipt, maintenance, and disbursement of all funds of the group
 - Management and maintenance of membership lists

- **Enhancement Coordinator – [OPEN]**
 - Coordinating all strategic enhancement requests originating from the Oracle Assets SIG
 - Editing all submitted enhancements from the SIG and communicating the status of enhancements to group members
 - Communicating strategic enhancements to the OAUG Enhancement Chair

Asset SIG purpose is to be a forum to:

- Discuss Asset specific questions/issues within Oracle Assets Application
- Discuss Asset specific questions/issues with integrated Applications (i.e. Purchasing, Payables, Projects, Inventory, EAM, iAssets, etc.)
- Share tricks of the trade
- Conduct educational presentation at semi-annual meetings
- Ask the Group – ask inquiries during the year to the group for feedback
- Conduct educational sessions during the year on various topics (webinars)
- Highlight issues and resolutions

Asset SIG website:

- url: <http://assetsig.oaug.org>
- Download presentations
- Share tricks of the trade
- Issues and Resolutions
- Ask the Group Q&A postings
- Events – Advertise upcoming meetings
- Enhancements – identify enhancements presented to Oracle

What can we do better?:

- **Reaching out and getting new members**
- **Increasing conference attendance**
 - **Change meeting to a week day session**
- **Increase communication**
 - **Periodic Newsletter (Quarterly)**
 - **Periodic Conference Calls (Quarterly)**
 - **Website enhanced and operational**
- **Conference door prizes / give-a-ways**
